First Class

The image shows a 'FirstClass Login' window. It features the 'FIRSTCLASS' logo at the top. Below the logo are two input fields: 'User ID:' and 'Password:'. To the right of these fields is a green circular button with a white arrow pointing up and to the right. At the bottom left, the text 'Server: fc.sedol.us' is displayed and circled in red. Below this, there is a blue button labeled 'Advanced'.

If the server field contains **fc.sedol.us**, enter your user id and password, click the green arrow or press return.

If the server field is blank, click on the blue triangle to the right of Advanced.

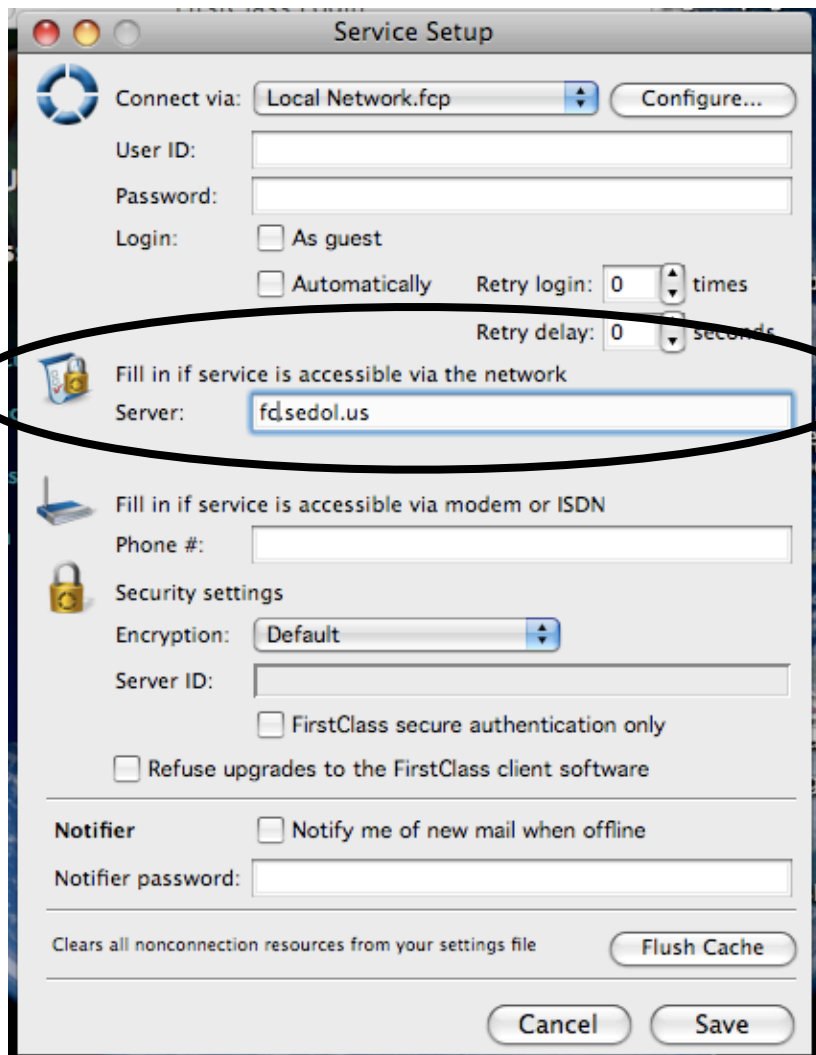

The window below will appear.

The image shows the 'FirstClass Login' window with the 'Advanced' options expanded. The 'Server: fc.sedol.us' text is still present. Below the 'Advanced' label, there is an 'Address:' field containing 'fc.sedol.us' and a 'Browse...' button. Below this is a 'Log in as:' section with two radio buttons: 'Guest' and 'Registered user'. The 'Setup...' button is circled in red. At the bottom, there is a 'Work Offline' button.

Click on the **Setup...** button and proceed to the next screen

First Class

The 'Service Setup' dialog box is shown. It has a title bar with standard window controls. The 'Connect via:' dropdown is set to 'Local Network.fcp'. Below it are fields for 'User ID' and 'Password'. The 'Login:' section has checkboxes for 'As guest' and 'Automatically', along with 'Retry login' (0 times) and 'Retry delay' (0 seconds) settings. A section titled 'Fill in if service is accessible via the network' is circled in black; it contains a 'Server:' field with the value 'fd.sedol.us'. Below this is a section for modem or ISDN with a 'Phone #' field. The 'Security settings' section includes an 'Encryption' dropdown set to 'Default', a 'Server ID' field, and checkboxes for 'FirstClass secure authentication only' and 'Refuse upgrades to the FirstClass client software'. At the bottom, there is a 'Notifier' section with a checkbox for 'Notify me of new mail when offline' and a 'Notifier password' field. A 'Flush Cache' button is located above the 'Cancel' and 'Save' buttons at the very bottom.

In the server field only, enter
fc.sedol.us

click save

close the blue triangle

The 'FirstClass Login' dialog box is shown. It has a title bar with standard window controls. The background features the 'FIRSTCLASS' logo and a blue and green geometric pattern. There are two input fields: 'User ID' with the value 'atruger' and 'Password' with masked characters. To the right of the password field is a green circular button with a white arrow. At the bottom left, it says 'Server: fc.sedol.us' and has an 'Advanced' button with a play icon.

Enter your username and
password into the field

Enter your username and
